Mohit Agrawal

+91 9111666332 | mohitagrawal2212@gmail.com | LinkedIn | Github | LeetCode

SKILLS

Languages : C++, JavaScript, SQL
Frameworks & Libraries : React.js, Redux Toolkit, Express.js, Node.js, Tailwind CSS
Databases : MongoDB, MySQL, Redis
Tools : Git, AWS, Postman

PROJECTS

Coding Practice Platform (CodeLedger) | *React.js, Node.js, Express.js, MongoDB, Redux Toolkit* | GitHub

- Developed a full-stack coding practice platform using React, Node.js, Express.js, and MongoDB, enabling users to browse coding problems, submit solutions, and track submission history.
- Implemented secure JWT-based authentication with bcrypt password hashing and cookie-based session management for protected user login and signup workflows.
- Built an admin dashboard for creating, updating, and deleting coding problems, along with managing editorial and video solution resources.
- Integrated AI-powered doubt solving using Google GenAI APIs to provide contextual coding assistance and improve the user learning experience.
- Used Redux Toolkit for frontend state management and Axios for efficient client-server API communication; enhanced the user interface using Tailwind CSS and DaisyUI.

Payment Ledger System | *Node.js, Express.js, MongoDB, REST APIs* | GitHub

- Developed a payment ledger system using Node.js, Express.js, and MongoDB for recording and managing payment transactions.
- Designed and implemented RESTful APIs for creating, updating, retrieving, and deleting transaction records.
- Built a transaction management workflow to store payment details, track transaction history, and maintain organized financial records.
- Integrated MongoDB with Mongoose to model and manage transaction-related data efficiently.
- Implemented secure backend practices including validation, error handling, and protected API endpoints; tested APIs using Postman to ensure reliable request handling and accurate transaction processing.

EDUCATION

Vellore Institute of Technology Aug. 2023 – May. 2027
B.Tech in Computer Science and Engineering | ***CGPA**: 8.25*

St. Joseph's School 2021 – 2023
CBSE XII: 77.2% | *CBSE X: 90.83%* Indore, India

ACHIEVEMENTS & CERTIFICATIONS

Competitive Programming :
Solved 200+ coding problems across LeetCode, GeeksforGeeks, and Codeforces.

Certifications & Experience :
MP Online Limited
IBM Virtual Certification in Data Encryption
Google IT Support Professional Certificate
